

# DOLL HOUSE RAFFLE

PROCEEDS TO BENEFIT

**ALL ABOUT DOGS COASTAL RESCUE**

Dr. David Reed, a retired veterinarian, and his wife Marge of Craft Farms, built this beautiful doll house and donated it to All About Dogs for a raffle to support our dog rescue efforts. The Reed's have built several doll houses in the past to support a number of charities in their home town of Alton, Illinois. These projects often require over 100 hours of painstaking work to build and finish. They include such custom items as hardwood floors, tile, wallpaper, working doors and windows, and wood shingles. It is more than a hobby for this talented couple. They enjoy working on each project together. While it can be very tedious and requires a lot of patience to get everything just right, it is also very satisfying when you can stand back and admire the finished work. All About Dogs is blessed to have the support of such generous and talented people.
